THE ATTORNEY WHO CHANGES LIVES

For more than 25 years, Dallas W. Hartman P.C. has been fighting for fair compensation for personal injury victims throughout Western Pennsylvania and Eastern Ohio. Under the leadership of veteran courtroom lawyer Dallas Hartman, the firm's team of attorneys has earned a reputation for excellence and has obtained tens of millions of dollars in verdicts and settlements for clients who have been injured as the result of car accidents, truck accidents, medical malpractice, legal malpractice, job-related accidents and defective products.

"You need someone capable of taking your case through the courts. I love the battle," Hartman says.

The firm congratulates Hartman for his selection to the 2011 *Pennsylvania Super Lawyers*[®] list and Kathleen J. Hayne Robertson for her selection to the *Rising Stars* list.
